

A photograph of a busy city street corner. In the foreground, a yellow taxi and a large bus are blurred due to motion, moving from left to right. The background features tall, multi-story buildings with many windows. A sign on one of the buildings reads "Office Space Only Three Floors Available".

SPACE

SPACE

Pedestrian crossing

Cross the street
Move through the city
See the avenues and streets in perspective
Wait
Avoid accidents
Alternate the use of the road
Define a safe space for pedestrians
Stop the traffic
Kill yourself or someone
Look at strangers
Make a stage (catwalk, street artists, show, dance etc)
